

# A S A A D H A Y A N I

PROGRAMMER AND DEVELOPMENT MOBILE APPS

## PROFESSIONAL SUMMARY

Very organized and hard working  
I am looking for a responsible position to gain some work experience.  
I have good experience in all web languages and I use Framework NodeJs, ExpressJs, MongoDB for Back-end and ReactJs for Front-end  
<https://react-app895-f6.web.app/>  
Also, I can write in PHP lang and own many projects, including:  
On Hosting: <http://crud.eb2a.com/tasks.php?i=1>  
On Github: <https://github.com/AsaadHayani/Project-PHP.git>  
I recently learned Laravel and developed mobile applications using Flutter and trained on several large applications.  
<https://drive.google.com/drive/folders/1Vy0lwY3CQdgnzpX5g0TpZmPxv9k9se?usp=share>  
In addition, I have a YouTube channel with programming content, called White Tech.
